

**Village of Mount Pleasant  
Public Works Committee Meeting**

**April 12, 2018**

**Committee Members Present:** K. Otwaska, J. Kusters, F. Risler, S. Havn, J. Schneider

**Committee Members Excused:** None.

**Staff:** M. Benish, T. Beyer, A. Hanna, J. Adams

**Other:** J. Feucht - raSmith

1. **Call to Order** – Public Works Committee meeting was called to order by K. Otwaska at 9:00 am.
2. **Public Comments** - None.
3. **Adoption of Public Works Committee March 8, 2018 Meeting Minutes** -  
F. Risler motioned, J. Schneider seconded to approve the March 8, 2018 minutes. Motion carried 5-0.
4. **TV/Electronics Recycling-Proposed Language for Website** – T. Beyer presented an idea for posting to the Village’s website to promote public awareness regarding how to recycle electronics. Also, a flyer was created to send along as a Sewer billing insert and to post around the Village.  
J. Schneider suggested adding the word “computers” to the post/flyer to clarify these too are recyclable.
5. **16<sup>th</sup> Street (Oakes to STH 31) & Emmertsen Road (16<sup>th</sup> St. to STH 20) Improvements** – T. Beyer introduced J. Feucht (raSmith), who explained the design concepts of 16<sup>th</sup> Street and Emmertsen Road to the Committee.  
J. Feucht discussed design issues with creating the designs for both roads. He also explained the cross section improvements to the intersection of 16<sup>th</sup> Street and Emmertsen Road, stating that it warrants a roundabout or signal due to high traffic. The 16<sup>th</sup> Street Project has many preliminary tasks completed already: closed circuit televising of storm and sanitary sewers, geotechnical investigation, and traffic study. While Emmertsen Road is still in the conceptual design phase.  
K. Otwaska retired from meeting early, due to appointment.  
J. Schneider motioned, F. Risler seconded a conditional approval to include the design for sidewalk, based upon the School District’s opinion (which will be heard at the 4/13/18 meeting between the Village and the School District), from the current sidewalk on the south side of 16<sup>th</sup> Street up to the proposed roundabout, then continue north along Emmertsen Road’s east side ending at STH 20. Motion carried 4-0.
