

Mount Pleasant Park and Recreation Signage Program

For over 50 years, Mount Pleasant has successfully operated park and recreation programs for thousands of children in the greater Racine area. Last year we were able to serve over 700 kids and their families in our community! Kids enrolled were from all of these surrounding communities as well: Racine, Caledonia and Sturtevant.

Mount Pleasant has a great reputation for its quality recreation programs in the greater Racine community. Our recreation activities include softball, volleyball, kickball, golf, tennis, basketball, soccer, and playground programs. These programs emphasize sportsmanship, integrity and responsibility as well as providing game fundamentals. We provide recreation league play as opposed to competitive play and provide a family-friendly atmosphere. Many parents with children in the programs once participated in the programs themselves. We also offer free drop-in playground in areas of the Village that are lacking in programs for kids. Plus, we have developed a partnership with Mt. Pleasant Police and Fire Department to come and interact with our kids through many of our current programs. We will continue to host free Movie in the Park nights for our families in the community as well!

We are seeking corporate and individual sponsorship from outside sources to keep these programs growing and provide an affordable rate for all of our families that participate. This is an excellent program for the children of Racine County and your support would be greatly appreciated. As a first time sponsor, your sponsorship fee for your first year is a minimum of \$800.00 and every year after that you decide to participate will be a minimum of \$550.00. Your advertising signage contract is enclosed.

If you choose to make a donation, we will recognize your generosity on our Mount Pleasant Park and Recreation Facebook page, website, 4th of July float as well as have your banner out on our softball diamond at Stewart McBride Park facing Hwy 11!
