

PUBLIC HEALTH NURSE
Part Time

The Caledonia/Mt. Pleasant Health Department in Racine County, WI, is recruiting for (1) part-time, grant-funded Public Health Nurse. This position provides public health nursing services that promote and maintain the health of individuals, families, groups and the community. Primary focus is Teen Parenting Support Program. Other program areas include immunization, communicable disease, home visitation, and health education. Must be flexible and a self-starter, strong computer and organizational skills a plus. Work hours flexible to meet program requirements. Hourly salary with part-time benefits.

Qualified applicants must possess a Bachelor's Degree in Nursing; state of Wisconsin RN license; valid driver's license; and one year nursing experience. Public health nursing experience preferred. Job description and applications available at the health department or online at www.mtpleasantwi.gov/Health. Submit applications and resume to the Caledonia/Mt. Pleasant Health Department, ATTN: Health Officer, 10005 Northwestern Avenue, Suite A, Franksville, WI 53126. Applications accepted until 6/26/09 @ 4:30 p.m. or until position is filled. Only qualified candidates will receive a reply. An EEO Employer.
