Burning is not permitted on windy days  
Check with the Fire Department for more details 554-8812

**MT PLEASANT - WASTE DISPOSAL RULES  
Call VEOLIA Waste Services at (800) 232-0860**

Waste materials will be picked up every week on the regular collection day.  
If your pickup falls on a legal holiday, all routes will be one day behind.  
Occasionally, extreme weather conditions or equipment failure make it  
impossible to maintain the schedule. When this happens, every effort is put  
forth to resume a normal schedule as promptly as possible.

- Keep the following guidelines in mind when setting out trash:**
- \* Containers must be set out by 7am on your collection day, not more than 24 hours in advance of collection day. Use recycle bins, not BLUE bags.
  - \* All containers must be easily accessible outside of buildings, and within five feet to the alley, street or highway on your land.
  - \* One person should be able to lift 32 maximum gallon capacity can. Garbage must be drained and wrapped before placing in containers.
  - \* Furniture and bulk items are scheduled with a special pickup day.  
**Call VEOLIA Waste Services at (800) 232-0860 for bulk pickup.**
  - \* Carpeting should be cut into four foot rolls, tied and put out with the regular trash.
  - \* Water-based latex paint: take the lid off, dry up the latex paint and put out with regular garbage. Cat litter or Oil Dry will absorb paint.  
**DO NOT PUT OIL BASED PAINTS IN THE TRASH.**
  - \* **Yard waste and garden waste such as branches, leaves, and grass clippings must be taken to the Compost Center.**
