

2022 Board of Review Procedures

If you would like to appear before the Board of Review, be sure to read this form **before** you continue. The Board of Review is a citizen body that is charged with hearing objections to property assessments, **not property taxes**.

- Your first step is to give a **Notice of Intent to File an Objection** to the Village Clerk by 9:00 am. June 19, 2022. This notice may be given via phone at 262-664-7800, email skohlhagen@mtpleasantwi.gov or in person during normal business hours of M-F 8-5.
- Your second step is to fill out the Objection Form **completely** and file it, along with any exhibits, (please see **evidence** below), with the Village Clerk by **11:00 am on Tuesday, June 21, 2022**. Once these forms are filed, you will be given an appointment with the Board of Review.
- Board of Review appointments will be given in the order in which they were received. Hearings are scheduled every half hour starting on June 21, 2022 and will continue until all properly filed cases are heard. **YOU OR YOUR REPRESENTATIVE MUST APPEAR AT YOUR SCHEDULED TIME OR YOUR APPEAL WILL NOT BE HEARD.**

The Statutory date for filing of Objections due to "Good Cause" is Tuesday, June 21 at 11 am. After this date and time, the Board of Review will determine if any objections will be heard due to "Extraordinary Circumstances" that caused property owner to fail to file in a timely manner.

The Objection form

- Every line must either have an answer or N/A written only for questions that do not apply to you. You must object to your **entire assessment**, not either the land or the improvements.
- The term "improvement" means any buildings that are on the land, not that you have necessarily made any improvements to the buildings on the land.
- State law requires that the form is filled out **completely | including the owner's opinion of value**, or your objection will not be heard
- Gather all the exhibits/evidence you plan on presenting to the Board of Review. This is an important step because **under Wisconsin State Law, the Assessor is presumed correct, and therefore the Board of Review cannot change an assessment without acceptable evidence on behalf of the property owner or their representative.**
- Objection forms must be filed with original signatures and eight (8) copies of supporting documentation.** Do not bring additional information at the time of your appointment.

Evidence the Board may Consider when Hearing your Objection:

- Recent sale of your property.
- Sale of **comparable** properties (approximately the same age, style, square footage, lot size, neighborhood, and condition).
- Recent appraisal of your property. You should bring your appraiser with you to discuss the appraisal.
- Other evidence relevant to the value of your property. **The Board of Review cannot change the value of your property without evidence.**

You are strongly encouraged to get the following publications from the Department of Revenue to assist you in understanding the entire process. "**Guide for Property Owners**"
