

## ► **Fall Leaves by the Truckload**

Mount Pleasant's green-thumbed lawn care enthusiasts have dropped off 928 cubic yards—the equivalent of 116 full dump trucks—of yard waste at the Village Compost Site through August this year. The site north of Highway 20 at West Road helps keep the community clean by accepting and composting homeowners' leaves, brush, pumpkins, grass clippings, and other yard waste for free. It will remain open Wednesdays and Saturdays through November 19, weather permitting.

## ► **PD Supports Students, Slams Softballs**

Over \$6,000 was raised for scholarships and other causes during a September 14 car show by the Mount Pleasant Police Officers Association. The Village police department supported that event, and faced off against the South Shore Fire Department in a softball game after the car show. The cops topped the firefighters with a score of 21-17. SSFD is ready for a 2026 rematch!
